II. DDA YEAR

The **DDA** year shall run from **July 1st** through **June 30th**.

III. OBJECTIVE

The objective of the **DDA** is to foster and promote darts in the **Dallas-Fort Worth Metroplex**. The **DDA** also shall be the controlling organization for all leagues and other competition sponsored by the **DDA**.

IV. MEMBERSHIP

A. Members

There are two classes of members, voting and non-voting. Voting Members (sometimes referred to as "CPB") are Team Captains, the Board of Directors (excluding the last past President, League Administrator, A.D.O. Representative, Editor of Publications, and the Board Parliamentarian), and Pub Owners. Only one person may represent one team or pub. Voting Members of the Board of Directors may not represent a team. Non-Voting Members are all other members who are not Voting Members.

B. Membership Dues

[1] Individual Membership Dues

Individual dues and requirements for play shall be established by the CPB.

[2] Team Dues

Team dues and requirements for play shall be established by the CPB.

C. Membership Qualifications

[1] Individual Qualifications

DDA membership is limited to permanent residents of the **Dallas-Fort Worth Metroplex**, as it may be defined by the Board of Directors. However, the Board may authorize associate memberships, at a fee the Board deems reasonable, which would entitle the holder to be placed on the mailing list for monthly bulletins, tournament information, etc.

[2] Pub Qualifications

Participating pub membership is limited to a permanent physical location within the County of Dallas and/or city limits of Dallas and at the discretion of the Board of Directors.

D. Termination/Suspension of Membership

The Board of Directors retains the right to terminate or suspend any member which it deems to be in violation of these By-Laws or the Rules of the DDA. The alleged violating member must be notified of the complaint and of a hearing by the Board at a specified time and place by certified mail, return receipt requested, at the member's address as it appears on the records of the DDA and be given the right to defend himself before the complainant(s). The owner of the pub in which the alleged violation occurred may, at his discretion, be present at the hearing. Failure of the alleged violating member to appear at the hearing will be considered to be a plea of no contest. The Board will then act on the evidence before it. A written explanation of the decision and action of the Board will be sent to the alleged violating member by certified mail, return receipt requested. This action may be appealed at a regular or special CPB meeting and overruled by a 2/3 vote of a quorum of the CPB.

V. MEETINGS OF MEMBERS

A. Place of Meetings.

Meetings of the members may be held at such time and place, within or without the State of Texas, as the Board of Directors may from time to time determine.

B. Regular Meetings of Team Captains, Pub Owners, and Board of Directors

Special meetings of the members may be called by the President, the Board of Directors, by a quorum of the CPB, or such other officers or persons as may be provided in the Articles of Incorporation or By-Laws.

D. Notice of Meetings

Written or printed notice stating the place, day, and hour of a special meeting and the purpose or purposes for which the special meeting is called shall be delivered within ten (10) days of receipt of a written request for a special meeting as set forth in Article V, Section C of these By-Laws and such special meeting must be scheduled within twenty-one (21) days of receipt of such written request. Written or printed notice of special meetings shall be delivered, either personally or by mail, or at the direction of, the President or the Secretary or the officers or persons calling the special meeting, to each member entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the

United States mail addressed to each member entitled to vote at such meeting at their address as it appears on the records of the corporation, with postage thereon paid.

E. Quorum of Voting Members

To constitute a quorum at a CPB meeting there must be a minimum of 50% of total number of teams plus one (1) from the previous season, two Pub Owners, and at least four members of the Board of Directors present. (Of the four members of the Board of Directors, two must be officers).

However, the Board's rulings may be overruled by a 2/3 vote of a regular or special CPB meeting.

The number of directors may be increased or decreased from time to time by amendment to the By-Laws or as may be provided in the By-Laws, but no decrease shall have the effect of shortening the term of any incumbent director. The number of directors may not be decreased to fewer than three (3). In the absence of a by-law or a provision of the Articles of Incorporation fixing the number of directors or providing for the manner in which the number of directors shall be fixed, the number of directors shall be the same as the number constituting the initial Board of Directors as fixed by the Articles of Incorporation.

C. Removal of Directors

A director may be removed from office pursuant to any procedure therefore provided in the Articles of Incorporation or By-Laws. In

the absence of a provision providing for removal, a director may be removed from office, with or without cause, by the persons entitled to elect, designate, or appoint the director. If the director was elected to office, removal requires an affirmative vote equal to the vote necessary to elect the director.

D. Vacancies

Unless otherwise provided in the Articles of Incorporation or the By-Laws, any vacancy occurring in the Board of Directors shall be filled by the affirmative vote of a majority of the remaining directors though less than a quorum of the Board of Directors. A director elected to fill a vacancy shall be elected for the unexpired term of his predecessor in office. Any directorship to be filled by reason of an increase in the number of directors shall be filled by election at a CPB meeting or at a special CPB meeting called for that purpose.

He shall act as an exofficio member of all committees, appoint committees as elsewhere specified, and be generally responsible to members of the DDA for the proper operation of the Association. He shall maintain the rules of order at all DDA meetings when there is no Board Parliamentarian currently serving or in the absence of a currently serving Board Parliamentarian.

G. Committees

[1] Committees Which Exercise Authority of Board of Directors

The Board of Directors, by resolution adopted by a majority of the directors in office, may designate one or more committees, which, to the extent provided in such resolution or in the By-Laws, shall have and exercise the authority of the Board of Directors in the management of the DDA. Each such committee shall consist of two or more persons, a majority of whom are directors; the remainder need not be directors. The designation of such committees and the delegation thereto of authority shall not operate to relieve the Board of Directors, or any individual director, of any responsibility imposed upon it or him

by law. Any non-director who becomes a member of any such committee shall have the same responsibility with respect to such committee as a director who is a member thereof.

[2] Committees Which Cannot Exercise Authority of Board of Directors

Other committees not having and exercising the authority of the Board of Directors in the management of the DDA may be designated and appointed by a resolution adopted by a majority of the directors at a meeting at which a quorum is present or by the President there unto authorized by a like resolution of the Board of Directors or by the Articles of Incorporation or by the By-Laws. Membership on such committees may, but need not be, limited to directors.

[3] Appointment of Committees

Committees shall be appointed by the President and ratified by a majority vote of the Board of Directors.

All meetings of the Board of Directors are open to attendance by the membership.

[3] Special Meetings of Board of Directors

J. Removal of Officers

Any officer elected or appointed may be removed by the persons authorized to elect or appoint such officer whenever, in their judgment, the best interests of the DDA will be served thereby. The removal of an officer shall be without prejudice to the contract rights, if any, of the officer so removed. Election or appointment of an officer or agent shall not of itself create contract rights.

K. Nomination, Qualification, and Election of Officers and Directors

[1] Nominations

Candidates for elective office shall be nominated at the Spring CPB Meeting. Before acceptance of nominations by the Chair of the Spring CPB Meeting, the qualifications and duties of each office as set forth in these By-Laws shall be read aloud. Acceptance of nomination by each nominated individual shall constitute an acceptance of the responsibilities of office and a confirmation of qualifications for office. Acceptance will be assumed if the individual is present and does not decline. Acceptance will be solicited by the Secretary if the nominated individual is not present.

[2] Qualifications

An acceptable candidate for an elected office must have been a verified member of the DDA during the previous league season and never have been removed from any office or appointed position in the DDA except for honorable resignation or expiration of term of office. If an elected officer of the DDA resigns during his term of office for reasons other than to accept a newly-elected office, he shall not be allowed to run for any office for one year following the end of his elected term. These qualifications may be waived by a majority of a quorum of the CPB when the nominations are made. If a current member of the Board of Directors wishes to run for an office in the year immediately following his election, he may do so without resigning from office. The only time he must resign from the first office held is if the first office held and the newly elected office is as President and Secretary. IX. PAID OFFICERS AND CONTRACTORS

11. RULES OF CRICKET

Whenever Cricket is played in a DDA-sponsored event, the game to be played is basically American Killer Cricket, with the following rules:

- A. Innings will be 20, 19, 18, 17, 16, 15, and Bulls.**
- B. Three marks will close an inning.**
- C. Once an inning is closed, a player may score additional points until his opponent closes the inning. Points will be the value of the inning scored on.**
- D. The winner will be the first person to close all innings, provided he is tied or ahead on score.**
- E. A player may mark or score in any unclosed inning without calling his darts.**

12. SCORING

- A. All matches will begin by THROWING THE CORK. In throwing for the bull, the visiting team throws first, thereafter, bullshots alternate. In the case of a tie, the bullshot will be rethrown, with the player who shot first throwing second. This will continue until someone wins the bullshot. The second shooter has the option of asking for either a single or double bull to be pulled. In Classic or A-1 the loser of the first leg has the option of throwing the cork first in the second leg. If a third leg is necessary, the cork will again be thrown, with the loser of the second leg having the option of throwing first for the cork. The dart must remain in the board, in order to count. Additional throws may be made when throwing the cork, until such time as the player's dart remains in the board. Should the second thrower dislodge the dart of the first, a rethrow will be made with the second thrower now throwing first. Rethrows shall be called if the scorer cannot decide which dart is closest to the Cork, or if both darts are anywhere in the inner bull, or both darts are anywhere in the outer bull. Decision of the scorer is final. Should a rethrow be necessary, the person who shot second will now shoot first. In any doubles or team event, the player shooting for the bull may allow his teammate to commence play in that game.**
- B. The captain of each team is responsible for providing a scorer for each match, e.g., home team scorer match 1, visiting team scorer match 2. Any person scoring who is not a member of one of the teams playing must be agreed upon by both captains, and must be familiar with and follow explicitly, all DDA rules.**

- C. The scorekeeper must call out the player's score for each turn prior to the player's taking his turn's thrown darts from the board. For a dart to score, it must remain in the board 5 seconds after the third or final dart has been thrown by that player.**
- D. The foul line will be strictly enforced, and a player must have both feet behind the front edge of the foul line. If a player has one or both feet over the foul line in the judgment of the captain, acting captain or official, the score for that turn will not count. A violating player must be warned immediately by the captain, acting captain or official.**
- E. Any changes made to correct mistakes in calling must be corrected before the darts are pulled from the board. Any mistakes in scoring, either in his favor or against, must be corrected before the player or the team against whom the error was made throws his/their next round. If the player or team against whom the error was made throws the first dart of his next round before the error is corrected, the score stands as scored. If the scoring error is made during a cricket match and corrected after the opposing player or team has started their round, the opposing team may, at their discretion, re-throw their last turn. The number thrown for is the number that counts. The score of each round must be written next to the running score.**
- F. If asked by the player the scorekeeper can only tell a player what amount is left to attain and/or what has been scored with the darts that have been thrown. If a scorekeeper tells the player what to shoot at, he can be removed from the scoreboard and, if the player is a teammate of the scorekeeper, the player's score for that turn will not count. It is the player's total responsibility to throw at the right numbers. If he is told what to shoot by anyone and it is the wrong number, the darts stand as thrown and the correct score prevails. Once the final double has been thrown, the game is over.**
- G. A dart shall be scored where the point of the dart first penetrates the plane of the wire spider. The tip of the dart point must be touching the bristle/sisal portion of the board in order for that dart to be counted as score.**
- H. In Doubles/Team events, no player may throw (during a leg) until each of his teammates has completed his throw. The FIRST player throwing out of turn shall receive a score of ZERO points for that round and his team shall FORFEIT such turn.**
- I. If any player shoots in a game (single, doubles or triples) he was not scheduled to play according to the official scorecard the team playing the wrong player forfeits that game. Match play resumes with the next game on the scorecard as written. Once the scorecard is signed, all results stand regardless of incorrect play.**
- J. All darts must be thrown by, and from the hand. A throw shall consist of three darts, thrown one at a time, unless a Leg/Match is completed in a lesser amount. Any dart bouncing off, or falling out of the dartboard, shall not be rethrown in that turn.**
- K. A dart shall be considered a thrown dart when it leaves the hand while in the forward motion of throwing.**

- L. Should a player 'touch' any dart that is in the dartboard during a turn, that turn will be deemed to have been completed. No dart may be touched by the thrower, another player, the chalker, or spectator prior to the decision of the chalker. (CPB 12/14/08)**

The forfeiting team shall receive zero win points, and loss points equal to the number of win points awarded to the other team. After the first half of the season, the team forfeited against will receive either its average number of win points or the forfeiting team's average number of loss points, whichever is greater, with a minimum of 6 points for A-2, B and Rookie divisions and 13 points for Classic and A-1 divisions. Averages will be rounded off to the nearest game. In Mixed Doubles, during the first half of the season, a forfeit will be 5-0. After the first half of the season, the team forfeited against will receive either its average number of win points, or the forfeiting team's average number of loss points, whichever is greater, with a minimum of 5 points. The forfeiting team shall receive zero win points, and loss points equal to the number of win points awarded to the other team. (CPB 12-09-07)**
- D. A team forfeiting two matches during a league schedule of any season will be suspended from the league for the balance of the schedule. When a team drops out of the league or is forced out of the league at any time during the season, all scores for the season against the dropped team shall become zero wins and zero losses to allow no advantage to be given to any team, and the remainder of the season shall be treated as a bye.**
- E. All non-attending members of a team which forfeits a second time in any season and is subsequently dropped from the schedule, will be suspended from all DDA activities for the remainder of the season and for the following season if no legitimate excuse is given for non-attendance. Any Rookie, B, or A2 team that forfeits the last regularly scheduled match during any regular season, shall be penalized six points on the next regular season in which the team plays. Any Mixed Doubles team that forfeits the last regularly scheduled match during any regular season, shall be penalized five points on the next regular season in which the team plays. Any Classic or A1 team that forfeits the last regularly scheduled match during any regular season, shall be penalized twelve points on the next regular season in which the team plays. (CPB 12-09-07)**
- F. A forfeit will be declared for use of an ineligible player or players to the extent that all win points involving such players shall be forfeited to the opposing team or teams. Team captains must be responsible for the integrity of their rosters and for ascertaining the**

eligibility of each member. When in doubt, team captains should ask to see membership cards, copy of original team roster in team folder, or add sheet. A team which uses ineligible players may appeal such a forfeit and be heard by the Board of Directors, but the forfeit shall stand unless malfeasance by a Board member or opposing team captain created the forfeit situation.

- G. Any team which knowingly and willfully plays a person known to be ineligible to play on that team shall forfeit, as a penalty, two extra win points (over and above forfeiture of any points won by that person). In the event that a team violates this provision more than once in any season, the team and all members, including the ineligible player, shall be suspended from DDA playoff participation for that season.**
- H. Anyone caught playing on an accredited dart team under an assumed name or caught playing on a team in a division lower than that which he is entitled by virtue of these Rules shall be automatically suspended from the DDA for two consecutive regular (non-summer) seasons. Any acting captain who knowingly uses an illegal player shall also be suspended for two consecutive regular (non-summer) seasons.**
- I. In B/A-2 League Mixed Doubles, a player will be considered ineligible (forfeit of all win points) if found playing in the regular leagues and their team is not in a B/A-2 League. This ineligible status will continue until the player terminates/resigns from the B/A-2 League Mixed Doubles Roster or adds on a B/A-2 League Team or terminates/resigns their regular league participation. All decisions concerning player eligibility in B/A-2 League Mixed Doubles will be at the discretion of the League Administrator. Discretionary powers may only be used to the extent these Rules and Bylaws do not address a problem and may not be used to provide an exception to existing Rules and/or Bylaws.**
- J. Captains have the right to call a forfeit of any games within the match if the players are not in the match location within 10 minutes of the end of the preceding game. This rule may be waived with BOTH CAPTAINS CONSENT. In doubles or triples games, players can play in their turn when they arrive at the match.**

- D. This can be done by: Fax, Phone, E-mail with the header marked PROTEST. If using mail, it must be post marked within 48 hours.**
- E. Both teams must sign the scorecard. Refusal to sign the score card does not negate the protest proceedings.**

F. WILD CARD TEAMS

[1] Wild card teams shall be the third-place teams in the league with the best won-lost percentage during regular season play.

[2] In the event the two wild card teams have the same percentage (four places .0000) for seeding purposes, a coin flip will be made by the league Administrator to determine which wild card team shall receive the higher seeding.

[3] In the event that three or more third-place teams have an identical winning percentage, the first tie-breaker will be the percentage of matches won. If still tied the Scheduling Committee will arrange a round robin, tie-breaker match, with the Board of Directors

responsible for drawing up the rules of play for the match and setting forth the criteria for determining which teams shall be the wild card teams, and how they will be seeded.

G. FINAL ORDER OF FINISH

[1] The team with the best won-lost record during regular season play shall be the first place team in a division; the team with the second best won-lost record during regular season play shall be the second place team, and so forth.

[2] Positions within the leagues and divisions of the DDA shall be determined by won-lost record. Won-lost record shall be the percentage achieved by dividing the total games won by the total games played (less any penalty points assessed), and rounding off the result to the third decimal point

[3] In the event that at the end of regular season play any two or more teams in the same division have identical won-lost records, the first tie-breaker will be head to head competition (match wins), the second tie-breaker will be the percentage of matches won. If still tied, a tie-breaker match will be scheduled by the Scheduling Committee. (CPB 12-14-03)

[4] Tie-breaking methods will be used only if the teams are involved in the playoffs or will be affected by mandatory movement.

H. All pubs wishing to be selected for a league playoff match must make available at least one additional board separate from the match board to be used for practice by those persons involved in the playoff match. Adequate seating for the teams and spectators should be reserved for their use.

I. In DDA league playoffs the team with the higher win percentage shall have "home team" advantage during said playoffs with the playoff match being held at their home pub, whenever possible.

In the case of two teams, who are to play each other in the playoffs, having the same win percentage a neutral pub will be used. Should two or more teams from the same home bar be in the playoffs, and they also have the higher win percentage over their opponents, the team with the highest win percentage shall have "home team" advantage. If space is available, more than one match can be played. If not, a neutral pub will be used. Since all possibilities cannot be anticipated any other scenarios that come up will be handled on a case-by-case basis by the league administrator.

J. The DDA shall endeavor to have a Board member or a representative of the DDA present at all playoff matches to referee play.

16. EQUIPMENT

A. All league competition, including tournaments and playoffs, shall be conducted on a standard English "bristle" 20-point clock-faced dart board of top quality.

B. Dart boards shall be placed five feet and eight inches from the floor to the center of the bull's-eye, with the "20" bed at the top center. This wedge must be dark-colored.

- C. The pub owner will be responsible for supplying and maintaining the league play dart board, which must be deemed acceptable for play by the Board of Directors.**
- D. The foul line will be seven feet nine and one-quarter inches from the surface of the board, measured along the floor to the front edge of the line, and will be at least 18 inches on either side of center.**
- E. All league play dart boards shall be firmly anchored and well illuminated with a floodlight-type light.**
- F. A scoring surface must be provided and located in such a position that the score may be read easily by the players and spectators.**
- G. The dart board wire spider must not be broken, and the double and triple rings must be within a tolerance 1/32" of the normal space measurement of 3/8".**
- H. Darts used in league play shall not exceed an overall length maximum length of 30.5 cm (12 inches) nor weigh more than 50 grams per dart. Each dart shall consist of a recognizable point, barrel and flight.**

17. ENVIRONMENT

It is the responsibility of the pub owner and home team captain to see that normal pub-type environment is maintained during league play. Excessive noise, loud machines near the dart area, and extremely loud and boisterous behavior should be avoided. Repeated offenses of this nature may result in the pub being suspended from the DDA.

18. DDA SUPPORTED ACTIVITIES

Fifty cents (\$.50) of each individual dues is to go toward a discretionary fund to be dispersed by the Board of Directors. This fund will go toward ADO (American Darts Organization) qualifying, ADO Youth qualifying, T of T (Tournament of Tournaments), TSTC (Texas State Team Championship) and any other non-league DDA events. At the CPB meetings prior to the Spring and Fall Regular seasons the CPB must reaffirm the allocation of DDA money to this fund. (CPB 07/12/14)

19. PLAYER CONDUCT

Heckling or other harassment is forbidden. A team may make as much noise as it wants while it is throwing, but must remain quiet while the other team is throwing. All players and spectators must give the thrower plenty of room to throw and must refrain from undue movement in or near the dartboard lane. Repeated harassment or loud, foul language may result in forfeiture of up to six match points. Physical abuse will not be tolerated and can result in suspension or termination as per Article IV Section D. of the DDA Bylaws.

20. DISCRIMINATION

The DDA shall practice no discrimination because of age, sex, race, religion, or national origin, and all reference to "he" in the Bylaws and Rules and Regulations shall apply to "she" as well.

21. OWING MONEY TO THE DDA

Any DDA member who owes money to the Association for whatever reason, and who does not pay same within thirty (30) days after demand is made for payment by Certified Mail to the player's last known mailing address, shall be suspended from participation in any DDA activities, including league play, tournament play, Tournament of Tournaments play, and all other activities.

22. GAMBLING

The DDA feels that an official DDA rule against gambling would be redundant with the existing State and Federal laws on the same subject. However, the Association takes the position that the DDA is a law-abiding organization, and will not encourage betting, gambling, or any other illegal acts during DDA-sanctioned events.

23. TOURNAMENT OF TOURNAMENTS (T OF T)

Participants of Tournament of Tournaments (T of T) shall adhere to the rules and regulations of play as approved by the C.P.B. effective August 7, 1992. A copy of these rules will be included in the Team Folder and becomes a part of DDA play.

24. AWARDS PRESENTATION

An awards presentation will be held following each league schedule playoffs. The date and place of the awards presentation will be determined at the discretion of the Board of Directors.

DDA SUPPORTED (NON-LEAGUE) ACTIVITIES

American Darts Organization (ADO).

As a member of the ADO, the Dallas Darts Association participates in ADO sanctioned qualifying events. The DDA holds qualifying leagues for those DDA members interested in participating. The entry fee and league rules are set by the ADO Representative. Those who qualify then get to participate in our regional ADO qualifying shoot. Should a DDA representative win the regional shoot the ADO then pays for the member to travel to the national level to participate. Men and women participate in separate leagues

The youth ADO qualifying is usually held in the summer. The DDA's Youth ADO representative will have further information upon request.

Texas State Team Championship (TSTC)

At this time, the DDA does not have qualifying for a TSTC team. The board will, if enough interest is forthcoming, appoint a coordinator for this event.

Tournament of Tournaments (T of T) is a DDA sanctioned tournament that is held in DDA participating pubs. The T of T shoots consist of the best of three, 301 DI/DO games. It is in the format of a regular tournament with no loser's bracket. Each member who pays the entry fee automatically gets one point, for each match that is won they receive one more point. The object is to get to the top of the points list and take a free trip to an out-of-state dart tournament on the DDA. T of T has its own bank account, so the money must be in the bank before a trip can be taken.

The Darter's "10 Commandments" For Keeping Score

- [1]. The Scorekeeper Shall Not talk while keeping score!**
- [2]. The Scorekeeper Shall Not move about while keeping score, Stand Still!**
- [3]. The Scorekeeper Shall Not look at the shooter, stand facing the board!**
- [4]. The Scorekeeper Shall Not call out a score, of one dart or all three--unless the shooter asks you!**
- [5]. The Scorekeeper Shall Not tell a shooter what to shoot or what combination to shoot for an out!**
- [6]. The Scorekeeper Shall Not change a score unless it is brought to the attention of both shooters (teams).**
- [7]. The Scorekeeper Shall Not change a score--regardless--if that player (team) has shot again and a second score written down. An error in a shooter's score MUST be corrected BEFORE he(team) shoots again or the score stands.**
- [8]. The Scorekeeper Shall Not lean out to see where a dart is or is going nor shall he follow the darts with body or head movement.**
- [9]. The Scorekeeper Shall Not show any sign of disgust or excitement while at the scoreboard!**
- [10]. The Scorekeeper Shall Not change the side of the scoreboard of the player in three leg matches or a team during a league match...if you start a player(team) on the left side of the scoreboard, continue to keep his(their) score on the left-regardless of what the bull shots are.**

The "10 Commandments" were originally written by Sarah Parsons in the 1970's.

9. DATE AND TIME OF MATCHES

- C. Rosters must be made out by 8:00 p.m. The home team will fill out the home side of the score sheet. The score sheet will then be folded by the home team so the visiting team cannot see the home team lineup. The score sheet will be handed to the visiting team with the home roster FACE DOWN so that the visiting team has no knowledge of the home team lineup. Starting time for the first game of a match is within 15 minutes of 8:00 p.m. Any match not under way by 8:30 p.m. by the time/temperature clock (844-____) can be subject to forfeit. (CPB 07-09-07)**

10. MATCH PROFILE

- G. No later than thirty minutes before match time, the board must be cleared of players and warm-up allowed for the players in that night's match.**
- H. Once all players have begun warm-up for their game(s), a maximum of nine (9) warm-up darts shall be thrown. No other warm-up darts may be thrown during their game(s). (CPB 07-11-10)**
- I. The captains are responsible for the smooth running of each match, and any disputes that arise during the course of play must be settled in private conference of the captains only.**

12. SCORING

- B. The captain of each team is responsible for providing a scorer for each match, e.g., home team scorer match 1, visiting team scorer match 2. Any person scoring who is not a member of one of the teams playing must be agreed upon by both captains, and must be familiar with and follow explicitly, all DDA rules.**
- C. The scorekeeper must call out the player's score for each turn prior to the player's taking his turn's thrown darts from the board. For a dart to score, it must remain in the board 5 seconds after the third or final dart has been thrown by that player.**
- D. The foul line will be strictly enforced, and a player must have both feet behind the front edge of the foul line. If a player has one or both feet over the foul line in the judgment of the captain, acting captain or official, the score for that turn will not count. A violating player must be warned immediately by the captain, acting captain or official.**
- E. Any changes made to correct mistakes in calling must be corrected before the darts are pulled from the board. Any mistakes in scoring, either in his favor or against, must be corrected before the player or the team against whom the error was made throws his/their next round. If the player or team against whom the error was made throws the first dart of his next round before the error is corrected, the score stands as scored. If the scoring error is made during a cricket match and corrected after the opposing player or team has started their round, the opposing team may, at their discretion, re-throw their last turn. The number thrown for is the number that counts. The score of each round must be written next to the running score.**

F. If asked by the player the scorekeeper can only tell a player what amount is left to attain and/or what has been scored with the darts that have been thrown. If a scorekeeper tells the player what to shoot at, he can be removed from the scoreboard and, if the player is a teammate of the scorekeeper, the player's score for that turn will not count. It is the player's total responsibility to throw at the right numbers. If he is told what to shoot by anyone and it is the wrong number, the darts stand as thrown and the correct score prevails. A leg/match is concluded at such time as a player/team hits the "Double" required to reduce their remaining score to zero, all darts thrown subsequently will not count for score. (CPB 7-11-10)

17. ENVIRONMENT

It is the responsibility of the pub owner and home team captain to see that normal pub-type environment is maintained during league play. Excessive noise, loud machines near the dart area, and extremely loud and boisterous behavior should be avoided. Repeated offenses of this nature may result in the pub being suspended from the DDA.

19. PLAYER CONDUCT

Heckling or other harassment is forbidden. A team may make as much noise as it wants while a member of their team is throwing, but must remain quiet while the other team is throwing. All players and spectators must give the thrower plenty of room to throw and must refrain from undue movement in or near the dartboard lane. Repeated harassment or loud, foul language may result in forfeiture of up to six match points. Physical abuse will not be tolerated and can result in suspension or termination as per Article IV Section D. of the DDA Bylaws.
